

All Uwharrie Bank Branch Lobbies - Now Open

Our customers' and associates' health and well-being remain one of our top priorities as we continue to follow the guidelines established by state and federal health officials regarding COVID-19.

Now, in addition to drive-thru, ATM, mobile and online, you may again bank inside any of our branch locations.

While all of us are eager for our lives to "return to normal," Uwharrie Bank still has an obligation to provide a safe environment for our associates and customers. As such, we will adopt the following operating guidelines for the immediate future.

Safety protocols at our branches:

- Our teams wear face coverings when interacting with customers and we encourage all customers wear a face covering when transacting at Uwharrie Bank.
- Hand sanitizer is available at our entrances and throughout the branches.
- We highly encourage social distancing and remaining six feet apart from other people.

You can reach us 24/7 through Uwharrie Bank Mobile, Online Banking and ATMs. Drive-thru windows remain open and available to service your transactions. Our lobbies are now open and it is our intent to keep our lobbies available to our customers. We ask for your patience as we begin the transition back to a state of "normalcy."

Help us practice social distancing by using our available services:

[Mobile & Online Banking](#)

Access your account 24/7 from home using uwharrie.com or the Uwharrie Bank Mobile App to view transactions, check balances, make payments, transfer money and more.

[ATMs](#)

Access cash and make deposits. [Click Here](#) to find an ATM near you.

[Drive-thru Windows](#)

We can help you with all standard transactions from the safety of your vehicle.
